## Sauces & Spices

In 1992 Jorge Calisto opened up 'The Original' Calisto's Portuguese Restaurant in Turffontein where he manufactured all his own sauces, spices and marinades on a small scale. Already from the early days, the Calisto's table Peri-Peri was a huge hit, over and above the growing popularity of the restaurant. Chilli lovers from all corners of Gauteng would come in to take home with them a tub of the irresistible 'Portuguese Jam'.

In 2010, 'The Sauce Kitchen', where he began manufacturing sauces for the franchises to ensure a standardised product was used. Today The Sauce Kitchen would manufacture, bottle and distribute to all the franchises and are available to the retail sector.

Made with Jorge Calisto's personal touch - Calisto's Spices & Sauces are made from the finest quality ingredients sourced from all over the country.

Eswatini Kitchen was established in 1991 in Swaziland by Manzini Youth Care (MYC), a Salesian NGO supporting marginalized youth in the country. The main objective was to create employment for disadvantaged women, provide a market for small local farmers and rural families who harvested wild fruit (especially guava and marula). The profit generated was to be destined to fund Manzini Youth Care's social programmes. The project started with 5 women that worked in a one room kitchen and covered every part of the production process.

Nowadays, Eswatini Kitchen is a fair trade producer of natural gourmet food, certified by WFTO (World Fair Trade Organization) and COFTA (Cooperation for Fair Trade in Africa) that exports its products to 15 international destinations including Europe, USA, Australia and Japan, complying with food safety standards, HACCP requirements and international regulations. Eswatini Kitchen has grown from a small cottage industry to a thriving business that is enhancing the lives of underprivileged communities by providing a fair and sustainable income for over 300 people in Swaziland., and devoting all its proceeds to the Manzini Youth Care initiatives, which support more than 2000 marginalized children and young people in the country.

Eswatini Kitchen is a Fair Trade producer of natural gourmet food. Their wide range of 100% natural and traditionally made jams, marmalades, honey, sauces, chutneys and atchars brings you all the taste of Africa with a social ingredient.
