Ginger Sweets

## DID YOU KNOW?

Gingerbon is made with real ginger, which is known for its natural anti-inflammatory and digestive benefits.

### Gingerbon: Soothing, Delicious, and Packed with Benefits

Gingerbon is the first Ginger Chewy Candy in Indonesia, offering a warm, soothing experience with every bite. Made from high-quality ginger, it helps relax the vocal cords, making it an excellent choice for professionals who rely on their voices, such as teachers, call center representatives, and public speakers. Enjoyed daily, Gingerbon can help reduce voice stress while delivering the natural benefits of ginger in a convenient and tasty form.

Ideal for those looking for an easy way to consume ginger, Gingerbon is available in Regular and Extra Strong variants. Whether you prefer a mild ginger warmth or an intense spicy kick, there is a flavor to suit your taste. It is widely accessible, found in all major outlets nationwide, ensuring that customers can conveniently enjoy its benefits anytime, anywhere.

Beyond its soothing effects, Gingerbon is also a great digestive aid, making it a perfect treat after meals. The balanced ginger flavor provides a gentle kick without being overwhelming, allowing consumers to experience the rich taste and numerous health benefits of ginger root in every bite. Delicious, comforting, and packed with natural goodness—Gingerbon is the ultimate ginger treat for every lifestyle.
